

LIGHT IS SHINING

INTRO

STR 1

Take my soul and throw it into silence

I know it will be right

Hold my heart and feel it beating

I know it will be right

STR 2

Find another dream within this beating

I know it will be right

See the truth and it will free you

I know it will be right

GIT RIFF

STR 3

See the secret lyin' there before you

It's the key of love

Live this way and you will be fulfilled

This is the key of love

BRIDGE

You're strong enough

To see the light

Your heart will open

You're strong enough

To see the truth

Your thoughts are getting right

OUTRO

REF

And the light is shining

So deeply in my soul

It's getting truth

I tell you

Now the light is shining

So deeply in my soul

It's getting truth

STR 1

Take my soul and throw it into silence

I know it will be right

Hold my heart and feel it beating

I know it will be right

STR 2

Find another dream within this beating

I know it will be right

See the truth and it will free you

I know it will be right
